

# 12th ANNUAL GOLF TOURNAMENT WITH SILENT AUCTIONS

## From the Organizing Committee

In 2009, Linda Kuska, Rowbust's Team Captain, proposed the idea that Rowbust create a signature fundraising event to assist team members who were financially unable to participate in dragon boat competitions in Canada and around the world.

We are proud that this tournament has grown each year and become widely viewed as one of the best in the crowded local golf fundraiser calendar. This is thanks to golfers like you! Funds raised each year help cover general operating expenses, ensuring Rowbust can continue supporting breast cancer survivors and their families in our community.

As a committee we want to let you know that we take everyone's health and safety seriously and will be respecting all the required guidelines on the day of the tournament

## JOIN US FOR A FUN AND NON-COMPETITIVE DAY!

- On course fun activities and games on many holes
- Online and live auction items will be up for grabs

## About Rowbust

As a registered charitable organization that solely relies on donations and fundraising, Rowbust is very grateful to all sponsors, golfers and donors who support the Rowbust Breast Cancer Survivor Dragon Boat Racing Team and its mission both on and off the water.

Since 2000, we have provided support to breast cancer survivors and their families in London and surrounding areas. Years of hard work and dedication have earned the Team 9 National Championships, 3 Club Crew World Championships and countless cherished memories of local, national and international events. We invite you to become a part of the journey and register as a golfer today!
